Re: Solon Show Choir Invitational

Dear Mr. Fiato,

Show choir styles and performance levels differ greatly depending on the area of the country. Lowell High School students generally have only been exposed to what we do in New England. We would like to give them the opportunity to compete in the Midwest and to be able to evaluate some of these other groups. We took this trip in 2020 and it was highly beneficial to our students. This is a great opportunity for our students to see qualities of advanced performers and work to apply them to their own performance.

Music Standards Addressed:

- Standard 1: Students will sing, alone and with others, a varied repertoire of music.
- Standard 3: Students will play instruments, alone and with others, to perform a varied repertoire of music.
- Standard 5: Students will describe and analyze their own music and the music of others using appropriate music vocabulary. When appropriate, students will connect their analysis to interpretation and evaluation
- Standard 6: Students will describe the purposes for which works of dance, music, theater, visual arts, and architecture were and are created, and, when appropriate, interpret their meanings.
- Standard 8: Students will demonstrate their understanding of styles, stylistic influence, and stylistic change by identifying when and where artworks were created, and by analyzing characteristic features of art works from various historical periods, cultures, and genres.
